

# *Tour of Canada*

Starting in Fairbanks Alaska, this tour takes as around this vast country checking out some amazing scenery from this huge land mass. Most of the legs of this tour are under two hours, just a couple that go over two hours. So this tour is in manageable time frames for most pilots.

The Aircraft to be used in this tour are the **Boeing 737** and the **Airbus A320/321**, fly what you are comfortable with. While designed for Relief Commanders (Cat 4), if you are not up to this rank then E-Mail your hub Manager to ask permission to fly this tour.
